BRIEF DESCRIPTION OF MEDIATION STYLE (no more than 100 words):

I patiently but persistently pursue the reason for which everyone came to
the mediation: to settle the case. Depending on the situation, I can
either be consiliatory or challenging. My eighty percent success rate is
at least partially due to my experience as both a plaintiff's attorney (Cook
County and suburban counties) for seven years and then becoming a defense
attorney (Winnebago County and those counties West and South) for the
last twenty years.
